MARÍAS® FROM SALZBURG**

The Pieper Biocosmetics Company does not have its roots planted only in a business idea, but in a way of life: following the desire for closeness to nature and an authentic way of life.

The highest standards of quality and effectiveness of its products, combined with a responsible approach to nature and its resources, has been an essential feature of MARÍAS® Salzburg, a brand of the Pieper Biocosmetics Company, for more than 30 years.

„The combination of natural raw materials such as plant oils, floral waters, fresh Aloe Vera juice, shea butter, beeswax, clay, and essential oils combined with highly effective substances such as double hyaluronic acid, phytosterols, and vitamins, result in products of the highest quality.“

Nature is the best cosmetics laboratory.
